VU-EASY

Fixed Frame Wall Screen

TECHNICAL:

Vu-Easy is Vutec's most popular, high quality fixed frame wall screen. It's permanently tensioned, easy to install and is available in a choice of seven screen surfaces to suit any viewing environment. Vu-Easy's standard features include a black velvet beveled frame, the VTS™ system for easy installation, and is available in 16:9, 16:10, 2.35:1, and 4:3 formats to compliment any size viewing room.

Vu-Easy is also available in Vutec's award-winning acoustically transparent SoundScreen, allowing for speaker placement behind the screen for an optimal sound experience.
